| εἰμί is the first person singular verb for “to be” (εἶναι [the infinitive form] = “to be”).                                                                   |                                                                                                                                                     |
| It an irregular verb, and, like English, changes significantly between person and tense. For example εἰμί is the word for am and ἦν is the word for was, e.g. |                                                                                                                                                     |
