|        | <div>את<span>plugin-autotooltip__default plugin-autotooltip_big</span></div> <div>hebrew</div> <div>The Hebrew את word does not have a corresponding word in English. In Hebrew, it is a marker of the accusative, i.e. the word following it is the object of the sentence.</div>                                                                                    |
| Hebrew | <div>For example, in Genesis 1:1 the word is preceded by <span>אלהים ( נבולת איש האלהים )</span><span>plugin-autotooltip__default plugin-autotooltip_big</span></div> <div>hebrew</div> <div>Meanings:</div> <div>* God * god * goddess * divine ones * angels</div> <div>Noun, masculine <span>וינחיו אל החמור וישבעו ויבא אל עיר הנביא הזלך לסד ולקברו</span></div> |
| ESV    | And the prophet took up the body of the man of God and laid it on the donkey and brought it back to the city to mourn and to bury him.                                                                                                                                                                                                                                |
| NIV    | So the prophet picked up the body of the man of God, laid it on the donkey, and brought it back to his own city to mourn for him and bury him.                                                                                                                                                                                                                        |
| NLT    | So the prophet laid the body of the man of God on the donkey and took it back to the town to mourn over him and bury him.                                                                                                                                                                                                                                             |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
