

# 1 Kings 3:17

|        |                                                                                                                                            |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | <a href="#">וְתֹאמַר הָאִשָּׁה הָאֶחָת בִּי אֲדֹנָי אֵלֵי וְהָאִשָּׁה הַזֹּאת יוֹשֶׁבֶת בְּבֵית אֶחָד וְאֶלֶךְ עִמָּה בְּבֵית</a>          |
| ESV    | The one woman said, "Oh, my lord, this woman and I live in the same house, and I gave birth to a child while she was in the house.         |
| NIV    | One of them said, "My lord, this woman and I live in the same house. I had a baby while she was there with me.                             |
| NLT    | "Please, my lord," one of them began, "this woman and I live in the same house. I gave birth to a baby while she was with me in the house. |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
