

# 1 Kings 6:7

|        |                                                                                                                                                                           |
|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | והיה בית המקדש אשר שלמה טקע נבנה ומקבוצת והפרוץ כל בלי ברזל לא נשמע בבית המקדש                                                                                            |
| ESV    | When the house was built, it was with stone prepared at the quarry, so that neither hammer nor axe nor any tool of iron was heard in the temple while it was being built. |
| NIV    | In building the temple, only blocks dressed at the quarry were used, and no hammer, chisel or any other iron tool was heard at the temple site while it was being built.  |
| NLT    | The stones used in the construction of the Temple were finished at the quarry, so there was no sound of hammer, ax, or any other iron tool at the building site.          |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
