| ESV    | He also made two capitals of cast bronze to set on the tops of the pillars. The height of the one capital was five cubits, and the height of the other capital was five cubits. |
| NIV    | He also made two capitals of cast bronze to set on the tops of the pillars; each capital was five cubits high.                                                                  |
| NLT    | For the tops of the pillars he cast bronze capitals, each 7-1/2 feet tall.                                                                                                      |
