|       | greek                                                                                                                                                                                                                                                 |
|       | Meaning                                                                                                                                                                                                                                               |
|       | * And * Also * Both * Even * Too * So                                                                                                                                                                                                                 |
|       | Is a conjunction that connects single words or terms or sentences. IT is most frequently translated as “and” <span>ἐσομαιplugin-autotooltip__default plugin-autotooltip_big</span> εἰμί                                                               |
| Greek | greek                                                                                                                                                                                                                                                 |
|       | εἰμί is the first person singular verb for “to be” (εἶναι [the infinitive form] = “to be”).                                                                                                                                                           |
|       | It an irregular verb, and, like English, changes significantly between person and tense. For example εἰμί is the word for am and ἦν is the word for was, e.g. <span>ὕμῖν εἰς πατέρα, καὶ</span> plugin-autotooltip__default plugin-autotooltip_bigκαί |
|       | greek                                                                                                                                                                                                                                                 |
|       | Meaning                                                                                                                                                                                                                                               |
| Greek | * And * Also * Both * Even * Too * So                                                                                                                                                                                                                 |
|       | Is a conjunction that connects single words or terms or sentences. IT is most frequently translated as “and” <span>ὕμεῖς ἔσεσθε</span> plugin-autotooltip__default plugin-autotooltip_bigεἰμί                                                         |
|       | greek                                                                                                                                                                                                                                                 |
|       | εἰμί is the first person singular verb for “to be” (εἶναι [the infinitive form] = “to be”).                                                                                                                                                           |
|       | It an irregular verb, and, like English, changes significantly between person and tense. For example εἰμί is the word for am and ἦν is the word for was, e.g. <span>μοι εἰς υἱοῦς καὶ</span> plugin-autotooltip__default plugin-autotooltip_bigκαί    |
| Greek | greek                                                                                                                                                                                                                                                 |
|       | Meaning                                                                                                                                                                                                                                               |
|       | * And * Also * Both * Even * Too * So                                                                                                                                                                                                                 |
|       | Is a conjunction that connects single words or terms or sentences. IT is most frequently translated as “and” <span>θυγατέρας, λέγει κύριος παντοκράτωρ.</span>                                                                                        |
|       |                                                                                                                                                                                                                                                       |
| ESV   | and I will be a father to you, and you shall be sons and daughters to me, says the Lord Almighty.”                                                                                                                                                    |
| NIV   | “I will be a Father to you, and you will be my sons and daughters, says the Lord Almighty.”                                                                                                                                                           |
| NLT   | And I will be your Father, and you will be my sons and daughters, says the LORD Almighty. “                                                                                                                                                           |
| KJV   | And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.                                                                                                                                                        |
