|        | hebrew                                                                                                                                                                                                                                                                                                                                                                                                            |
| Hebrew | <div>The word הִיָּה means "to exist" or "to be" or "to become" or "to come into being" and occurs 3561 times in the Old Testament.</div> <div>This is the foundational verb of existence, identity, becoming and occurrence.</div> <div>* It is used in the creation narrative of Genesis 1, represented by the English words Genesis 1:3Exodus 3:12Ruth 1:1Isaiah 2:2 <a href="#">את הפלד בצאתו ובבאו</a></div> |
| ESV    | shall surround the king, each with his weapons in his hand. And whoever approaches the ranks is to be put to death. Be with the king when he goes out and when he comes in."                                                                                                                                                                                                                                      |
| NIV    | Station yourselves around the king, each man with his weapon in his hand. Anyone who approaches your ranks must be put to death. Stay close to the king wherever he goes."                                                                                                                                                                                                                                        |
| NLT    | Form a bodyguard around the king and keep your weapons in hand. Kill anyone who tries to break through. Stay with the king wherever he goes."                                                                                                                                                                                                                                                                     |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
