

# 2 Kings 4:39

|        |                                                                                                                                                                                                                                        |
|--------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | <a href="#">יוצא אחד אל השדה ללקט ארז וימצא גפר שדה וילקט מסנן פקעת שדה מלא בגדו ויבא ויפליח אל סיר הנזיר כי לא ידעו</a>                                                                                                               |
| ESV    | One of them went out into the field to gather herbs, and found a wild vine and gathered from it his lap full of wild gourds, and came and cut them up into the pot of stew, not knowing what they were.                                |
| NIV    | One of them went out into the fields to gather herbs and found a wild vine. He gathered some of its gourds and filled the fold of his cloak. When he returned, he cut them up into the pot of stew, though no one knew what they were. |
| NLT    | One of the young men went out into the field to gather herbs and came back with a pocketful of wild gourds. He shredded them and put them into the pot without realizing they were poisonous.                                          |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
