

# 2 Kings 5:5

|        |                                                                                                                                                                                                                                                   |
|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | וַיֹּאמֶר מֶלֶךְ אֲרָם לְךָ בֹּא וְאֶשְׁלַחְהָ סֹפֵר אֶל מֶלֶךְ יִשְׂרָאֵל וְיִלְךָ וְיִקָּח בְּיָדוֹ עֶשֶׂר כֶּבֶדִּי וְשֵׁשֶׁת אֲלָפִים זָהָב וְעֶשֶׂר חֲלִיפוֹת בְּגָדִים                                                                      |
| ESV    | And the king of Syria said, "Go now, and I will send a letter to the king of Israel." So he went, taking with him ten talents of silver, six thousand shekels of gold, and ten changes of clothes.                                                |
| NIV    | "By all means, go," the king of Aram replied. "I will send a letter to the king of Israel." So Naaman left, taking with him ten talents of silver, six thousand shekels of gold and ten sets of clothing.                                         |
| NLT    | "Go and visit the prophet," the king of Aram told him. "I will send a letter of introduction for you to take to the king of Israel." So Naaman started out, carrying as gifts 750 pounds of silver, 150 pounds of gold, and ten sets of clothing. |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
