| ESV    | Then Joab went to the king and told him, and he summoned Absalom. So he came to the king and bowed himself on his face to the ground before the king, and the king kissed Absalom.                                                                                                                                                                                                                                                 |
| NIV    | So Joab went to the king and told him this. Then the king summoned Absalom, and he came in and bowed down with his face to the ground before the king. And the king kissed Absalom.                                                                                                                                                                                                                                                |
| NLT    | So Joab told the king what Absalom had said. Then at last David summoned Absalom, who came and bowed low before the king, and the king kissed him.                                                                                                                                                                                                                                                                                 |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
