

# Deuteronomy 12:17

|        |                                                                                                                                                                                                                                                         |
|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | לֹא תֵאָכַל בְּשָׂעֶיךָ טַעַם דְּבַח וְהִטְלָה וּבְכֹרֹת צֹאן וּבְכֹרֹת הַבָּקָר וְכָל נוֹרֵי אֵשׁ חֵדֶּר וּבְדִבְרֵי חֲרִיקֹת נָדָה                                                                                                                    |
| ESV    | You may not eat within your towns the tithe of your grain or of your wine or of your oil, or the firstborn of your herd or of your flock, or any of your vow offerings that you vow, or your freewill offerings or the contribution that you present.   |
| NIV    | You must not eat in your own towns the tithe of your grain and new wine and oil, or the firstborn of your herds and flocks, or whatever you have vowed to give, or your freewill offerings or special gifts.                                            |
| NLT    | But you may not eat your offerings in your hometown—neither the tithe of your grain and new wine and olive oil, nor the firstborn of your flocks and herds, nor any offering to fulfill a vow, nor your voluntary offerings, nor your sacred offerings. |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
