It is contrasted with the word טָמֵא which means unclean or impure.Leviticus 10:10Numbers 19:19Psalm 12:67Psalm 24:4Proverbs 15:26Exodus 27:20Leviticus 24:4Ezekiel 22:24Psalm 51:1012Ezekiel 36:25Matthew 5:8Psalm 24:4Psalm 51:10Leviticus 11:47Psalms 12:612Leviticus 13:37Numbers 8:7Leviticus 14:74Ezekiel 36:25Leviticus...<span>מִבֵּית</span><br/><span>וּמִחוּץ תַּצְפֵּנוּ וְעָשִׂיתָ עָלָיו זָרָהב סָבִיב</span></div> |
| ESV    | You shall overlay it with pure gold, inside and outside shall you overlay it, and you shall make on it a molding of gold around it.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| NIV    | Overlay it with pure gold, both inside and out, and make a gold molding around it.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| NLT    | Overlay it inside and outside with pure gold, and run a molding of gold all around it.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
