|     | <p>הָיָה plugin-autotooltip__default plugin-autotooltip_bigהָיָה</p> <p>hebrew</p> <p>The word הָיָה means “to exist” or “to be” or “to become” or “to come into being” and occurs 3561 times in the Old Testament.</p> <p>This is the foundational verb of existence, identity, becoming and occurrence.</p> <p>* It is used in the creation narrative of Genesis 1, represented by the English words Genesis 1:3Exodus 3:12Ruth 1:1Isaiah 2:2 כָּפֹל זָרֶת אֶרְכּוֹ זָרֶת רָחֲבּוֹ</p>                                                                                                                                                                                                                                                                                                                                                                         |
| ESV | It shall be square and doubled, a span its length and a span its breadth.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| NIV | It is to be square-a span long and a span wide-and folded double.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| NLT | Make the chestpiece of a single piece of cloth folded to form a pouch nine inches square.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|     | <p>τετράγωνον ἔσται plugin-autotooltip__default plugin-autotooltip_bigεἶμι</p> <p>greek</p> <p>εἶμι is the first person singular verb for “to be” (εἶναι [the infinitive form] = “to be”).</p> <p>It an irregular verb, and, like English, changes significantly between person and tense. For example εἶμι is the word for am and ἦν is the word for was, e.g. διπλοῦν σπιθαμῆς τὸ plugin-autotooltip__default plugin-autotooltip_bigὀ</p> <p>greek</p> <p>The definite article μῆκος καὶ plugin-autotooltip__default plugin-autotooltip_bigκαί</p> <p>greek</p> <p>Meaning</p> <p>* And * Also * Both * Even * Too * So</p> <p>Is a conjunction that connects single words or terms or sentences. IT is most frequently translated as “and” σπιθαμῆς τὸ plugin-autotooltip__default plugin-autotooltip_bigὀ</p> <p>greek</p> <p>The definite article εὗρος</p> |
| KJV | Foursquare it shall be being doubled; a span shall be the length thereof, and a span shall be the breadth thereof.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
