- In the thirtieth year, in the fourth month, on the fifth day of the month, as I was among the exiles by the Chebar canal, the heavens were opened, and I saw visions of God.
- 2 On the fifth day of the month (it was the fifth year of the exile of King Jehoiachin),
- the word of the LORD came to Ezekiel the priest, the son of Buzi, in the land of the Chaldeans by the Chebar canal, and the hand of the LORD was upon him there.
- As I looked, behold, a stormy wind came out of the north, and a great cloud, with brightness around it, and fire flashing forth continually, and in the midst of the fire, as it were gleaming metal.
- And from the midst of it came the likeness of four living creatures. And this was their appearance: they had a human likeness,
- 6 but each had four faces, and each of them had four wings.
- 7 Their legs were straight, and the soles of their feet were like the sole of a calf's foot. And they sparkled like burnished bronze.
- 8 Under their wings on their four sides they had human hands. And the four had their faces and their wings thus:
- their wings touched one another. Each one of them went straight forward, without turning as they went.
- As for the likeness of their faces, each had a human face. The four had the face of a lion on the right side, the four had the face of an eagle.
- Such were their faces. And their wings were spread out above. Each creature had two wings, each of which touched the wing of another, while two covered their bodies.

- And each went straight forward. Wherever the spirit would go, they went, without turning as they went.
- As for the likeness of the living creatures, their appearance was like burning coals of fire, like the appearance of torches moving to and fro among the living creatures. And the fire was bright, and out of the fire went forth lightning.
- 14 And the living creatures darted to and fro, like the appearance of a flash of lightning.
- Now as I looked at the living creatures, I saw a wheel on the earth beside the living creatures, one for each of the four of them.
- As for the appearance of the wheels and their construction: their appearance was like the gleaming of beryl. And the four had the same likeness, their appearance and construction being as it were a wheel within a wheel.
- 17 When they went, they went in any of their four directions without turning as they went.
- 18 And their rims were tall and awesome, and the rims of all four were full of eyes all around.
- And when the living creatures went, the wheels went beside them; and when the living creatures rose from the earth, the wheels rose.
- Wherever the spirit wanted to go, they went, and the wheels rose along with them, for the spirit of the living creatures was in the wheels.
- When those went, these went; and when those stood, these stood; and when those rose from the earth, the wheels rose along with them, for the spirit of the living creatures was in the wheels.
- Over the heads of the living creatures there was the likeness of an expanse, shining like aweinspiring crystal, spread out above their heads.
- And under the expanse their wings were stretched out straight, one toward another. And each creature had two wings covering its body.
- And when they went, I heard the sound of their wings like the sound of many waters, like the sound of the Almighty, a sound of tumult like the sound of an army. When they stood still, they let down their wings.
- And there came a voice from above the expanse over their heads. When they stood still, they let down their wings.
- And above the expanse over their heads there was the likeness of a throne, in appearance like sapphire; and seated above the likeness of a throne was a likeness with a human appearance.
- And upward from what had the appearance of his waist I saw as it were gleaming metal, like the appearance of fire enclosed all around. And downward from what had the appearance of his waist I saw as it were the appearance of fire, and there was brightness around him.
- Like the appearance of the bow that is in the cloud on the day of rain, so was the appearance of the brightness all around. Such was the appearance of the likeness of the glory of the LORD. And when I saw it, I fell on my face, and I heard the voice of one speaking.

- In the thirtieth year, in the fourth month on the fifth day, while I was among the exiles by the Kebar River, the heavens were opened and I saw visions of God.
- 2 On the fifth of the month-it was the fifth year of the exile of King Jehoiachin-
- the word of the LORD came to Ezekiel the priest, the son of Buzi, by the Kebar River in the land of the Babylonians. There the hand of the LORD was upon him.
- 4 I looked, and I saw a windstorm coming out of the north-an immense cloud with flashing lightning and surrounded by brilliant light. The center of the fire looked like glowing metal,
- and in the fire was what looked like four living creatures. In appearance their form was that of a man,
- 6 but each of them had four faces and four wings.
- 7 Their legs were straight; their feet were like those of a calf and gleamed like burnished bronze.

2025/11/07 23:45 11/36 Ezekiel 1

- 8 Under their wings on their four sides they had the hands of a man. All four of them had faces and wings,
- and their wings touched one another. Each one went straight ahead; they did not turn as they moved.
- Their faces looked like this: Each of the four had the face of a man, and on the right side each had the face of a lion, and on the left the face of an ox; each also had the face of an eagle.
- Such were their faces. Their wings were spread out upward; each had two wings, one touching the wing of another creature on either side, and two wings covering its body.
- Each one went straight ahead. Wherever the spirit would go, they would go, without turning as they went.
- The appearance of the living creatures was like burning coals of fire or like torches. Fire moved back and forth among the creatures; it was bright, and lightning flashed out of it.
- 14 The creatures sped back and forth like flashes of lightning.
- As I looked at the living creatures, I saw a wheel on the ground beside each creature with its four faces.
- This was the appearance and structure of the wheels: They sparkled like chrysolite, and all four looked alike. Each appeared to be made like a wheel intersecting a wheel.
- As they moved, they would go in any one of the four directions the creatures faced; the wheels did not turn about as the creatures went.
- 18 Their rims were high and awesome, and all four rims were full of eyes all around.
- When the living creatures moved, the wheels beside them moved; and when the living creatures rose from the ground, the wheels also rose.
- Wherever the spirit would go, they would go, and the wheels would rise along with them, because the spirit of the living creatures was in the wheels.
- When the creatures moved, they also moved; when the creatures stood still, they also stood still;
- and when the creatures rose from the ground, the wheels rose along with them, because the spirit of the living creatures was in the wheels.
- Spread out above the heads of the living creatures was what looked like an expanse, sparkling like ice, and awesome.
- Under the expanse their wings were stretched out one toward the other, and each had two wings covering its body.
- When the creatures moved, I heard the sound of their wings, like the roar of rushing waters, like the voice of the Almighty, like the tumult of an army. When they stood still, they lowered their wings.
- Then there came a voice from above the expanse over their heads as they stood with lowered wings.
- Above the expanse over their heads was what looked like a throne of sapphire, and high above on the throne was a figure like that of a man.
- I saw that from what appeared to be his waist up he looked like glowing metal, as if full of fire, and that from there down he looked like fire; and brilliant light surrounded him.
- Like the appearance of a rainbow in the clouds on a rainy day, so was the radiance around him.
- This was the appearance of the likeness of the glory of the LORD. When I saw it, I fell facedown, and I heard the voice of one speaking.

# **NLT**

- On July 31 of my thirtieth year, while I was with the Judean exiles beside the Kebar River in Babylon, the heavens were opened and I saw visions of God.
- 2 This happened during the fifth year of King Jehoiachin's captivity.
- (The LORD gave this message to Ezekiel son of Buzi, a priest, beside the Kebar River in the land of the Babylonians, and he felt the hand of the LORD take hold of him.)

- As I looked, I saw a great storm coming from the north, driving before it a huge cloud that flashed with lightning and shone with brilliant light. There was fire inside the cloud, and in the middle of the fire glowed something like gleaming amber.
- 5 From the center of the cloud came four living beings that looked human,
- 6 except that each had four faces and four wings.
- 7 Their legs were straight, and their feet had hooves like those of a calf and shone like burnished bronze.
- 8 Under each of their four wings I could see human hands. So each of the four beings had four faces and four wings.
- The wings of each living being touched the wings of the beings beside it. Each one moved straight forward in any direction without turning around.
- Each had a human face in the front, the face of a lion on the right side, the face of an ox on the left side, and the face of an eagle at the back.
- Each had two pairs of outstretched wings- one pair stretched out to touch the wings of the living beings on either side of it, and the other pair covered its body.
- They went in whatever direction the spirit chose, and they moved straight forward in any direction without turning around.
- The living beings looked like bright coals of fire or brilliant torches, and lightning seemed to flash back and forth among them.
- 14 And the living beings darted to and fro like flashes of lightning.
- As I looked at these beings, I saw four wheels touching the ground beside them, one wheel belonging to each.
- The wheels sparkled as if made of beryl. All four wheels looked alike and were made the same; each wheel had a second wheel turning crosswise within it.
- 17 The beings could move in any of the four directions they faced, without turning as they moved.
- 18 The rims of the four wheels were tall and frightening, and they were covered with eyes all around.
- When the living beings moved, the wheels moved with them. When they flew upward, the wheels went up, too.
- The spirit of the living beings was in the wheels. So wherever the spirit went, the wheels and the living beings also went.
- When the beings moved, the wheels moved. When the beings stopped, the wheels stopped. When the beings flew upward, the wheels rose up, for the spirit of the living beings was in the wheels.
- 22 Spread out above them was a surface like the sky, glittering like crystal.
- Beneath this surface the wings of each living being stretched out to touch the others' wings, and each had two wings covering its body.
- As they flew, their wings sounded to me like waves crashing against the shore or like the voice of the Almighty or like the shouting of a mighty army. When they stopped, they let down their wings.
- 25 As they stood with wings lowered, a voice spoke from beyond the crystal surface above them.
- Above this surface was something that looked like a throne made of blue lapis lazuli. And on this throne high above was a figure whose appearance resembled a man.
- From what appeared to be his waist up, he looked like gleaming amber, flickering like a fire. And from his waist down, he looked like a burning flame, shining with splendor.
- All around him was a glowing halo, like a rainbow shining in the clouds on a rainy day. This is what the glory of the LORD looked like to me. When I saw it, I fell face down on the ground, and I heard someone's voice speaking to me.

- Now it came to pass in the thirtieth year, in the fourth month, in the fifth day of the month, as I was among the captives by the river of Chebar, that the heavens were opened, and I saw visions of God.
- 2 In the fifth day of the month, which was the fifth year of king Jehoiachin's captivity,
- The word of the LORD came expressly unto Ezekiel the priest, the son of Buzi, in the land of the Chaldeans by the river Chebar; and the hand of the LORD was there upon him.
- And I looked, and, behold, a whirlwind came out of the north, a great cloud, and a fire infolding itself, and a brightness was about it, and out of the midst thereof as the colour of amber, out of the midst of the fire.
- Also out of the midst thereof came the likeness of four living creatures. And this was their appearance; they had the likeness of a man.
- 6 And every one had four faces, and every one had four wings.
- And their feet were straight feet; and the sole of their feet was like the sole of a calf's foot: and they sparkled like the colour of burnished brass.

- 8 And they had the hands of a man under their wings on their four sides; and they four had their faces and their wings.
- Their wings were joined one to another; they turned not when they went; they went every one straight forward.
- As for the likeness of their faces, they four had the face of a man, and the face of a lion, on the right side: and they four had the face of an ox on the left side; they four also had the face of an eagle.
- Thus were their faces: and their wings were stretched upward; two wings of every one were joined one to another, and two covered their bodies.
- And they went every one straight forward: whither the spirit was to go, they went; and they turned not when they went.
- As for the likeness of the living creatures, their appearance was like burning coals of fire, and like the appearance of lamps: it went up and down among the living creatures; and the fire was bright, and out of the fire went forth lightning.
- 14 And the living creatures ran and returned as the appearance of a flash of lightning.
- Now as I beheld the living creatures, behold one wheel upon the earth by the living creatures, with his four faces.
- The appearance of the wheels and their work was like unto the colour of a beryl: and they four had one likeness: and their appearance and their work was as it were a wheel in the middle of a wheel.
- 17 When they went, they went upon their four sides: and they turned not when they went.
- As for their rings, they were so high that they were dreadful; and their rings were full of eyes round about them four.
- And when the living creatures went, the wheels went by them: and when the living creatures were lifted up from the earth, the wheels were lifted up.
- Whithersoever the spirit was to go, they went, thither was their spirit to go; and the wheels were lifted up over against them: for the spirit of the living creature was in the wheels.
- When those went, these went; and when those stood, these stood; and when those were lifted up from the earth, the wheels were lifted up over against them: for the spirit of the living creature was in the wheels.
- And the likeness of the firmament upon the heads of the living creature was as the colour of the terrible crystal, stretched forth over their heads above.
- And under the firmament were their wings straight, the one toward the other: every one had two, which covered on this side, and every one had two, which covered on that side, their bodies.
- And when they went, I heard the noise of their wings, like the noise of great waters, as the voice of the Almighty, the voice of speech, as the noise of an host: when they stood, they let down their wings.
- And there was a voice from the firmament that was over their heads, when they stood, and had let down their wings.
- And above the firmament that was over their heads was the likeness of a throne, as the appearance of a sapphire stone: and upon the likeness of the throne was the likeness as the appearance of a man above upon it.
- And I saw as the colour of amber, as the appearance of fire round about within it, from the appearance of his loins even upward, and from the appearance of his loins even downward, I saw as it were the appearance of fire, and it had brightness round about.
- As the appearance of the bow that is in the cloud in the day of rain, so was the appearance of the brightness round about. This was the appearance of the likeness of the glory of the LORD. And when I saw it, I fell upon my face, and I heard a voice of one that spake.
