|        | <div>אֶרֶץ</div> <div>hebrew</div> <div>Meaning:</div> <div>* Earth (e.g. Genesis 1:1) or world * Land * Countries or country</div> <div>The word אֶרֶץ can designate the whole of planet earth, or the inhabitable world or the national territory or ground.</div> <div>When coupled with heavens (שָׁמַיִם), the phrase indicates the entire created order.Genesis 12:1 הָיְתָה וְהָיְתָה אֶרֶץ וְשָׁמַיִם</div> <div>hebrew</div>                                                                                                                                                                                                                                                                                                                                                                      |
| Hebrew | <div>The word הָיָה means “to exist” or “to be” or “to become” or “to come into being” and occurs 3561 times in the Old Testament.</div> <div>This is the foundational verb of existence, identity, becoming and occurrence.</div> <div>* It is used in the creation narrative of Genesis 1, represented by the English words Genesis 1:3Exodus 3:12Ruth 1:1Isaiah 2:2 מִיּוֹם מִבְּרֵאשִׁית מִבְּרֵאשִׁית מִבְּרֵאשִׁית</div> <div>אֶרֶץ</div> <div>hebrew</div> <div>Meaning:</div> <div>* Face * Presence * Front or surface</div> <div>Noun. Masculine. Although it looks plural in form (ending in -ים), it is almost always used as a singular in meaning - a type of plural of intensity or plural of form common in Hebrew for body parts that come in pairs or have multiple aspects. הָיָה</div> |
| ESV    | “If I cause wild beasts to pass through the land, and they ravage it, and it be made desolate, so that no one may pass through because of the beasts,                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| NIV    | “Or if I send wild beasts through that country and they leave it childless and it becomes desolate so that no one can pass through it because of the beasts,                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| NLT    | “Or suppose I were to send wild animals to invade the country, kill the people, and make the land too desolate and dangerous to pass through.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
