|        | אֲבָנִים plugin-autotooltip_default plugin-autotooltip_bigאבן                                                                                                                                                                                                                                                           |
| Hebrew | <p>hebrew</p> <p>The Hebrew אבן word does not have a corresponding word in English. In Hebrew, it is a marker of the accusative, i.e. the word following it is the object of the sentence. It only ever occurs in conjunction with nouns associated with the definite article הַ. Genesis 1:1 <b>בְּנֵי יִצְחָק</b></p> |
| ESV    | Again, when a wicked person turns away from the wickedness he has committed and does what is just and right, he shall save his life.                                                                                                                                                                                    |
| NIV    | But if a wicked man turns away from the wickedness he has committed and does what is just and right, he will save his life.                                                                                                                                                                                             |
| NLT    | And if wicked people turn from their wickedness, obey the law, and do what is just and right, they will save their lives.                                                                                                                                                                                               |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
