|     | <div>הִיָּהפּלugin-autotooltip__default plugin-autotooltip_bigוְלִיד וּפֹטָה הִיָּה</div> <div>hebrew</div> <div>The word הִיָּה means “to exist” or “to be” or “to become” or “to come into being” and occurs 3561 times in the Old Testament.</div> <div>This is the foundational verb of existence, identity, becoming and occurrence.</div> <div>* It is used in the creation narrative of Genesis 1, represented by the English words Genesis 1:3Exodus 3:12Ruth 1:1Isaiah 2:2 <a href="#">בְּחִילָהּ אֲנָשִׁי מִלְחָמָהּ מִגֵּר וְכֹבֵעַ תָּלוּ בָּהָּ הָמָּה נִתְּנֵי הַדֶּרֶךְ</a></div> |
| ESV | “Persia and Lud and Put were in your army as your men of war. They hung the shield and helmet in you; they gave you splendor.                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| NIV | “Men of Persia, Lydia and Put served as soldiers in your army. They hung their shields and helmets on your walls, bringing you splendor.                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| NLT | “Men from distant Persia, Lydia, and Libya served in your great army. They hung their shields and helmets on your walls, giving you great honor.                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
