| ESV | The weak you have not strengthened, the sick you have not healed, the injured you have not bound up, the strayed you have not brought back, the lost you have not sought, and with force and harshness you have ruled them.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| NIV | You have not strengthened the weak or healed the sick or bound up the injured. You have not brought back the strays or searched for the lost. | NLT | You have not taken care of the weak. You have not tended the sick or bound up the injured. You have not gone looking for those who have wandered away and are lost. Instead, you have ruled them with harshness and cruelty.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
