|     | <div>הָיָה</div> <div>plugin-autotooltip__default plugin-autotooltip_big</div> <div>הִיָּה</div> <div>hebrew</div> <div>The word הִיָּה means “to exist” or “to be” or “to become” or “to come into being” and occurs 3561 times in the Old Testament.</div> <div>This is the foundational verb of existence, identity, becoming and occurrence.</div> <div>* It is used in the creation narrative of Genesis 1, represented by the English words Genesis 1:3Exodus 3:12Ruth 1:1Isaiah 2:2 <div>לֹאֲכֹלָה לְכָל חַיַּת הַשָּׂדֶה וַתִּפְּצֹצֵינָה</div></div> |
| ESV | So they were scattered, because there was no shepherd, and they became food for all the wild beasts.                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| NIV | So they were scattered because there was no shepherd, and when they were scattered they became food for all the wild animals.                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| NLT | So my sheep have been scattered without a shepherd, and they are easy prey for any wild animal.                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

|     |                                                                                                                                                                                                                                                   |

|     | greek                                                                                                                                                                                                                                             |
|     | εἶμί is the first person singular verb for “to be” (εἶναι [the infinitive form] = “to be”).                                                                                                                                                       |
|     | It an irregular verb, and, like English, changes significantly between person and tense. For example εἶμί is the word for am and ἦν is the word for was, e.g. <a href="#">ποιμένανς καὶ</a> plugin-autotooltip__default plugin-autotooltip_bigκαί |
