	Then he brought me back to the door of the temple, and behold, water was issuing from below the threshold of the temple toward the east (for the temple faced east). The water was flowing down from below the south end of the threshold of the temple, south of the altar.
NIV	The man brought me back to the entrance of the temple, and I saw water coming out from under the threshold of the temple toward the east (for the temple faced east). The water was coming down from under the south side of the temple, south of the altar.
	In my vision, the man brought me back to the entrance of the Temple. There I saw a stream flowing east from beneath the door of the Temple and passing to the right of the altar on its south side.
