

# Ezra 6:13

|        |                                                                                                                                                                                                              |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | אֲדִינוֹ תַתִּי עֲבַר נַהֲרָה שֶׁתָּר בּוֹזַנַי וְכַנְזֵיהֶוּ לְקַבֵּל דֵּי שְׁלַח דָּרְיוֹשׁ מֶלֶכָא כְּנֻמָּא אֲסָפְרָנָא עֲבָדוּ                                                                          |
| ESV    | Then, according to the word sent by Darius the king, Tattenai, the governor of the province Beyond the River, Shethar-bozenai, and their associates did with all diligence what Darius the king had ordered. |
| NIV    | Then, because of the decree King Darius had sent, Tattenai, governor of Trans-Euphrates, and Shethar-Bozenai and their associates carried it out with diligence.                                             |
| NLT    | Tattenai, governor of the province west of the Euphrates River, and Shethar-bozenai and their colleagues complied at once with the command of King Darius.                                                   |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
