|     | <div>הָיָה</div> <div>plugin-autotooltip__default plugin-autotooltip_big</div> <div>hebrew</div> <div>The word הָיָה means “to exist” or “to be” or “to become” or “to come into being” and occurs 3561 times in the Old Testament.</div> <div>This is the foundational verb of existence, identity, becoming and occurrence.</div> <div>* It is used in the creation narrative of Genesis 1, represented by the English words Genesis 1:3Exodus 3:12Ruth 1:1Isaiah 2:2 בְּיָמֵי אֲמֶרְפֶּל מֶלֶךְ שִׁנְעָר אֲרִיֹחַ מֶלֶךְ אֶלְסָר כְּדֹרְלֹאֶמֶר מֶלֶךְ עֵילָם וְתִדְעָל מֶלֶךְ גּוֹיִם</div> |
| ESV | In the days of Amraphel king of Shinar, Arioch king of Ellasar, Chedorlaomer king of Elam, and Tidal king of Goiim,                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| NIV | At this time Amraphel king of Shinar, Arioch king of Ellasar, Kedorlaomer king of Elam and Tidal king of Goiim                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| NLT | About this time war broke out in the region. King Amraphel of Babylonia, King Arioch of Ellasar, King Kedorlaomer of Elam, and King Tidal of Goiim                                                                                                                                                                                                                                                                                                                                                                                                                                              |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
