

# Genesis 15:11

|        |                                                                                                                                                                                                                                                                                            |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|        | <div>את־<br/>plugin-autotooltip__default plugin-autotooltip_big</div>                                                                                                                                                                                                                      |
| Hebrew | <div>hebrew</div> <p>The Hebrew את־ word does not have a corresponding word in English. In Hebrew, it is a marker of the accusative, i.e. the word following it is the object of the sentence.</p> <p>For example, in Genesis 1:1 the word is preceded by בָּרָא אֱלֹהִים ( אֵלֶּכֶם )</p> |
| ESV    | And when birds of prey came down on the carcasses, Abram drove them away.                                                                                                                                                                                                                  |
| NIV    | Then birds of prey came down on the carcasses, but Abram drove them away.                                                                                                                                                                                                                  |
| NLT    | Some vultures swooped down to eat the carcasses, but Abram chased them away.                                                                                                                                                                                                               |

|     |                                                                                                                                                                                                                |                                                         |
