Hebrew Meaning:

Noun. Masculine. Although it looks plural in form (ending in -o+), it is almost always used as a singular in meaning - a type of plural of intensity or plural of form common in Hebrew for body parts that come in pairs or have multiple aspects.

NIV And my honesty will assure for me later, when you come to look into my wages with you. Every one that is not speckled and spotted among the goats and black among the lambs, if found with me, shall be counted stolen."

NIV And my honesty will assure for me later, when you come to look into my wages with you. Every one that is not speckled and spotted among the goats and black among the lambs, if found with me, shall be counted stolen."

NIT In the future, when you check on the animals you have given me as my wages, you'll see that I have been honest. If you find in my flock any goats without speckles or spots, or any sheep that are not black, you will know that I have stolen them from you."
