ESV And when we came to the lodging place we opened our sacks, and there was each man's money in the mouth of his sack, our money in full weight. So we have brought it again with us,

But at the place where we stopped for the night we opened our sacks and each of us found his silver-the exact weight-in the mouth of his sack. So we have brought it back with us.

But as we were returning home, we stopped for the night and opened our sacks. Then we discovered that each man's money- the exact amount paid- was in the top of his sack! Here it is; we have brought it back with us.
