LXX translations of כִּין

The translators did not use a single Greek word for כִּין; instead, they chose terms that fit the context:

- When the emphasis is on preparation or readiness, they used ἐτοιμάζω / ἐτοῖμος.
- When the focus is on stability or firmness, they used στηρίζω, βεβαιώω, or θεμελιώω.

Together these words paint a full picture of what it means for something (or someone) to be firmly set, trustworthy, and enduring, whether a throne, the world, or the human heart.

New Testament Connections

The same Greek verbs used in the LXX show up again in the New Testament, carrying forward the Hebrew theology of firm establishment:
