| Hebrew | <div>הִיָּה</div> <div>הִיָּה</div> <div>hebrew</div> <div>The word הִיָּה means “to exist” or “to be” or “to become” or “to come into being” and occurs 3561 times in the Old Testament.</div> <div>This is the foundational verb of existence, identity, becoming and occurrence.</div> <div>* It is used in the creation narrative of Genesis 1, represented by the English words Genesis 1:3Exodus 3:12Ruth 1:1Isaiah 2:2<br/><a href="#">כָּזָב יִקְוֶהוּ וַיְהִי כִּי יֵצֵא הוֹדוֹ וְרִיחַ לוֹ כַּלְבִּנּוֹן</a></div> |
| ESV    | They shall return and dwell beneath my shadow; they shall flourish like the grain; they shall blossom like the vine; their fame shall be like the wine of Lebanon.                                                                                                                                                                                                                                                                                                                                                           |
| NIV    | Men will dwell again in his shade. He will flourish like the grain. He will blossom like a vine, and his fame will be like the wine from Lebanon.                                                                                                                                                                                                                                                                                                                                                                            |
| NLT    | My people will again live under my shade. They will flourish like grain and blossom like grapevines. They will be as fragrant as the wines of Lebanon.                                                                                                                                                                                                                                                                                                                                                                       |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
