

# Isaiah 13:8

|        |                                                                                                                                                                          |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | וְנִבְּקָלוּ צִירִים וְחִבְּלִים אֲחִיזוּן כִּי יוֹלְדָה יַחֲלִיץ אִישׁ אֶל רֵעֵהוּ יִתְמָהוּ פָנֵי לְהִבִּים פְּנִיָּהֶם                                                |
| ESV    | They will be dismayed: pangs and agony will seize them; they will be in anguish like a woman in labor. They will look aghast at one another; their faces will be aflame. |
| NIV    | Terror will seize them, pain and anguish will grip them; they will writhe like a woman in labor. They will look aghast at each other, their faces aflame.                |
| NLT    | and people are terrified. Pangs of anguish grip them, like those of a woman in labor. They look helplessly at one another, their faces aflame with fear.                 |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
