

# Isaiah 3:5

|        |                                                                                                                                                                       |
|--------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | <a href="#">ונגש היום איש באיש ואיש ברעהו ירדבו הנער בזקן והנסלה בנכבד</a>                                                                                            |
| ESV    | And the people will oppress one another, every one his fellow and every one his neighbor; the youth will be insolent to the elder, and the despised to the honorable. |
| NIV    | People will oppress each other— man against man, neighbor against neighbor. The young will rise up against the old, the base against the honorable.                   |
| NLT    | People will oppress each other— man against man, neighbor against neighbor. Young people will insult their elders, and vulgar people will sneer at the honorable.     |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
