

# Isaiah 56:11

|        |                                                                                                                                                                                      |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | וְהַכְלָבִים עֲזִי נֶפֶשׁ לֹא יִדְעוּ שְׂבָעָה וְהִמָּה רֵעִים לֹא יִדְעוּ הַבֵּיז כָּלֵם לְדֶרֶכָם פֶּנּוּ אִישׁ לְבָצְעוֹ מִקְצָחוֹ                                                |
| ESV    | The dogs have a mighty appetite; they never have enough. But they are shepherds who have no understanding; they have all turned to their own way, each to his own gain, one and all. |
| NIV    | They are dogs with mighty appetites; they never have enough. They are shepherds who lack understanding; they all turn to their own way, each seeks his own gain.                     |
| NLT    | Like greedy dogs, they are never satisfied. They are ignorant shepherds, all following their own path and intent on personal gain.                                                   |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
