| hebrew |                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Hebrew | <div>The word יהיה means "to exist" or "to be" or "to become" or "to come into being" and occurs 3561 times in the Old Testament.</div> <div>This is the foundational verb of existence, identity, becoming and occurrence.</div> <div>* It is used in the creation narrative of Genesis 1, represented by the English words Genesis 1:3Exodus 3:12Ruth 1:1Isaiah 2:2 <a href="#">לֵאמֹר</a> <a href="#">וְהָיָה</a></div> |
| ESV    | He who stays in this city shall die by the sword, by famine, and by pestilence, but he who goes out and surrenders to the Chaldeans who are besieging you shall live and shall have his life as a prize of war.                                                                                                                                                                                                            |
| NIV    | Whoever stays in this city will die by the sword, famine or plague. But whoever goes out and surrenders to the Babylonians who are besieging you will live; he will escape with his life.                                                                                                                                                                                                                                  |
| NLT    | Everyone who stays in Jerusalem will die from war, famine, or disease, but those who go out and surrender to the Babylonians will live. Their reward will be life!                                                                                                                                                                                                                                                         |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
