| ESV | But 'the burden of the LORD' you shall mention no more, for the burden is every man's own word, and you pervert the words of the living God, the LORD of hosts, our God.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
