

# Jeremiah 29:3

|        |                                                                                                                                                                                            |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | בִּיַּד אֱלִיעֶזֶר בֶּן שָׁפָן וְגִמְרְיָה בֶן חִלְקִיָּה אֲשֶׁר שָׁלַח זְדַקְיָה מֶלֶךְ יְהוּדָה אֶל נְבוּכַדְנֶצַּר מֶלֶךְ בָּבֶל בְּכֹל לְאֹמֶר                                         |
| ESV    | The letter was sent by the hand of Elasah the son of Shaphan and Gemariah the son of Hilkiah, whom Zedekiah king of Judah sent to Babylon to Nebuchadnezzar king of Babylon. It said:      |
| NIV    | He entrusted the letter to Elasah son of Shaphan and to Gemariah son of Hilkiah, whom Zedekiah king of Judah sent to King Nebuchadnezzar in Babylon. It said:                              |
| NLT    | He sent the letter with Elasah son of Shaphan and Gemariah son of Hilkiah when they went to Babylon as King Zedekiah's ambassadors to Nebuchadnezzar. This is what Jeremiah's letter said: |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
