Jeremiah 33:21

hebrew

The word הָהָ means "to exist" or "to be" or "to become" or "to come into being" and occurs 3561 times in the Old Testament.

This is the foundational verb of existence, identity, becoming and occurrence.

* It is used in the creation narrative of Genesis 1, represented by the English words Genesis 1:3Exodus 3:12Ruth 1:1Isaiah 2:2

ESV then also my covenant with David my servant may be broken, so that he shall not have a son to reign on his throne, and my covenant with the Levitical priests my ministers.

NIV then my covenant with David my servant may be broken, so that he shall not have a son to reign on his throne, and my covenant with the Levitical priests my ministers.

Only then will my covenant with my servant David be broken. Only then will he no longer have a descendant to reign on his throne. The same is true for my covenant with the Levitical priests who minister before me.
