E:	SV	Since it was the day of Preparation, and so that the bodies would not remain on the cross on the Sabbath (for that Sabbath was a high day), the Jews asked Pilate that their legs might be broken and that they might be taken away.
N	IV	Now it was the day of Preparation, and the next day was to be a special Sabbath. Because the Jews did not want the bodies left on the crosses during the Sabbath, they asked Pilate to have the legs broken and the bodies taken down

It was the day of preparation, and the Jewish leaders didn't want the bodies hanging there the next day, which was the Sabbath (and a very special Sabbath, because it was the Passover). So they asked Pilate to hasten their deaths by ordering that their legs be broken. Then their bodies could be taken down.

The Jews therefore, because it was the preparation, that the bodies should not remain upon the cross on the sabbath day, (for that sabbath day was an high day,) besought Pilate that their legs might be broken, and that they might be taken away.
