|        | <div>אֶרֶץ</div> <div>hebrew</div> <div>Meaning:</div> <div>* Earth (e.g. Genesis 1:1) or world * Land * Countries or country</div> <div>The word אֶרֶץ can designate the whole of planet earth, or the inhabitable world or the national territory or ground.</div> <div>When coupled with heavens (שָׁמַיִם), the phrase indicates the entire created order.Genesis 12:1 <a href="#">אֶת עֲלֵמֵי וְהַכְרִיתֻם אֹתָהּ</a></div>                                                                                                                                                                                                                                                                                                                                          |
| Hebrew | <div>אֶרֶץ</div> <div>hebrew</div> <div>The Hebrew אֶת word does not have a corresponding word in English. In Hebrew, it is a marker of the accusative, i.e. the word following it is the object of the sentence. It only ever occurs in conjunction with nouns associated with the definite article הַ.Genesis 1:1 <a href="#">אֶרֶץ כְּנָעַן</a></div> <div>hebrew</div> <div>Meaning:</div> <div>* Earth (e.g. Genesis 1:1) or world * Land * Countries or country</div> <div>The word אֶרֶץ can designate the whole of planet earth, or the inhabitable world or the national territory or ground.</div> <div>When coupled with heavens (שָׁמַיִם), the phrase indicates the entire created order.Genesis 12:1 <a href="#">וְהָיָה שְׁמִי כְּשֵׁם הַנְּדִיב</a></div> |
| ESV    | For the Canaanites and all the inhabitants of the land will hear of it and will surround us and cut off our name from the earth. And what will you do for your great name?"                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| NIV    | The Canaanites and the other people of the country will hear about this and they will surround us and wipe out our name from the earth. What then will you do for your own great name?"                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| NLT    | For when the Canaanites and all the other people living in the land hear about it, they will surround us and wipe our name off the face of the earth. And then what will happen to the honor of your great name?"                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
