

# Judges 20:45

|        |                                                                                                                                                                                                                        |
|--------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | וַיִּפְּגּוּ וַיִּנָּסוּ הַמִּדְבָּרָה אֶל סֵלַע הַרְמֹן וַיַּעַלְלֵהוּ בְּמַסְלֹחַת חֲמִשָּׁת אֲלָפִים אִישׁ וַיִּדְבְּקוּ אַחֲרָיו עַד גִּדּוֹם וַיַּכּוּ מִמֶּנּוּ אֲלָפִים אִישׁ                                   |
| ESV    | And they turned and fled toward the wilderness to the rock of Rimmon. Five thousand men of them were cut down in the highways. And they were pursued hard to Gidom, and 2,000 men of them were struck down.            |
| NIV    | As they turned and fled toward the desert to the rock of Rimmon, the Israelites cut down five thousand men along the roads. They kept pressing after the Benjamites as far as Gidom and struck down two thousand more. |
| NLT    | The survivors fled into the wilderness toward the rock of Rimmon, but Israel killed 5,000 of them along the road. They continued the chase until they had killed another 2,000 near Gidom.                             |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
