And they waited till they were embarrassed. But when he still did not open the doors of the roof chamber, they took the key and opened them, and there lay their lord dead on the floor. They waited to the point of embarrassment, but when he did not open the doors of the room, they took a key and unlocked them. There they saw their Lord fallen to the floor, dead.

NLT so they waited. But when the king didn't come out after a long delay, they became concerned and got a key. And when they opened the doors, they found their master dead on the floor
