|     | <p>הַזֵּית הַחֲדָלְתִּי אֶת</p> <p>hebrew</p> <p>The Hebrew אֶת word does not have a corresponding word in English. In Hebrew, it is a marker of the accusative, i.e. the word following it is the object of the sentence. It only ever occurs in conjunction with nouns associated with the definite article הַ.Genesis 1:1 יִכְבְּדוּ אֱלֹהִים בִּי יִשְׂרָאֵל</p> <p>hebrew</p> <p>Meanings:</p> <p>* God * god * goddess * divine ones * angels</p> <p>Noun, masculine וְאַנְשִׁים וְהַלְכְּתִי לִגְיוֹעַ עַל הָעֵצִים</p> |
| ESV | But the olive tree said to them, 'Shall I leave my abundance, by which gods and men are honored, and go hold sway over the trees?'                                                                                                                                                                                                                                                                                                                                                                                             |
| NIV | "But the olive tree answered, 'Should I give up my oil, by which both gods and men are honored, to hold sway over the trees?'"                                                                                                                                                                                                                                                                                                                                                                                                 |
| NLT | But the olive tree refused, saying, 'Should I quit producing the olive oil that blesses both God and people, just to wave back and forth over the trees?'                                                                                                                                                                                                                                                                                                                                                                      |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
