Leviticus 13:56

אַת הַכֹּהֵל וְהַגַּל בַּתָּה הַנְּגַע אַחֲבִי הֻכָּבֵּס אֹתְוֹ plugin-autotooltip_default plugin-autotooltip_big

The Hebrew א word does not have a corresponding word in English. In Hebrew, it is a marker of the accusative, i.e. the word following it is the object of the sentence. It only ever occurs in conjunction with nouns associated with the definite article ה.Genesis 1:1 מְן הַשְּׁרֵי אִוֹ מוְ הַשְׁרֵי אוֹ מוְ הַשְׁרֶי אוֹ מוְ הַשְׁרֶי אוֹ מוְ הַשְׁרֶי

ESV "But if the priest examines, and if the diseased area has faded after it has been washed, he shall tear it out of the garment or the skin or the warp or the woof.

NIV If, when the priest examines it, the mildew has faded after the article has been washed, he is to tear the contaminated part out of the clothing, or the leather, or the woven or knitted material.

NLT But if the priest examines it and finds that the contaminated area has faded after being washed, he must cut the spot from the clothing, the fabric, or the leather.
