|        | hebrew                                                                                                                                                                                                                                                                                                                                                                                                   |
| Hebrew | <div>The word הָיָה means “to exist” or “to be” or “to become” or “to come into being” and occurs 3561 times in the Old Testament.</div> <div>This is the foundational verb of existence, identity, becoming and occurrence.</div> <div>* It is used in the creation narrative of Genesis 1, represented by the English words Genesis 1:3Exodus 3:12Ruth 1:1Isaiah 2:2 אֶחָד מֵאֶחָיו יִגְאֹלֵנּוּ</div> |
| ESV    | then after he is sold he may be redeemed. One of his brothers may redeem him,                                                                                                                                                                                                                                                                                                                            |
| NIV    | he retains the right of redemption after he has sold himself. One of his relatives may redeem him:                                                                                                                                                                                                                                                                                                       |
| NLT    | they still retain the right to be bought back, even after they have been purchased. They may be bought back by a brother,                                                                                                                                                                                                                                                                                |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |  |
