

# Nehemiah 12:38

|        |                                                                                                                                                                                                                        |
|--------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | <a href="#">והתנִיחַ השֵׁנִית הַחוֹלְקִית לְמִזְמֹרֵי וְאֵי אַחֲרֵיהֶם וְחָצִי הָעָם מֵעַל לַחֲחוּפָה מֵעַל לַמִּגְדָּל הַתְּנֹרִים וְעַד הַחוּפָה הַרְחֵבָה</a>                                                       |
| ESV    | The other choir of those who gave thanks went to the north, and I followed them with half of the people, on the wall, above the Tower of the Ovens, to the Broad Wall,                                                 |
| NIV    | The second choir proceeded in the opposite direction. I followed them on top of the wall, together with half the people-past the Tower of the Ovens to the Broad Wall,                                                 |
| NLT    | The second choir giving thanks went northward around the other way to meet them. I followed them, together with the other half of the people, along the top of the wall past the Tower of the Ovens to the Broad Wall, |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
