

# Numbers 23:13

|        |                                                                                                                                                                                                  |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hebrew | <a href="#">וַיֹּאמֶר אֵלָיו בָּלָק לֵךְ לָכָה נָא אִתִּי אֶל מְקוֹם אֲחֵר אֲשֶׁר תֵּרְאֻנִי מִשָּׁם אֶפְסִי קִצְחוּ תִרְאֶה וְכָלֹוּ לֹא תִרְאֶה וְקִבְּנוּ לִי מִשָּׁם</a>                     |
| ESV    | And Balak said to him, "Please come with me to another place, from which you may see them. You shall see only a fraction of them and shall not see them all. Then curse them for me from there." |
| NIV    | Then Balak said to him, "Come with me to another place where you can see them; you will see only a part but not all of them. And from there, curse them for me."                                 |
| NLT    | Then King Balak told him, "Come with me to another place. There you will see another part of the nation of Israel, but not all of them. Curse at least that many!"                               |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
