| greek  |                                                                                                                                                                                                                                                                                                                                                                                          |
| LXX    | δέ is a conjunction that can mean “but” or “and” or “also” or “moreover”. It is a word that is used very frequently in the New Testament, and is often unexpressed and not translated in English. <span>ἀνδρα τίς ὑποίσει</span>                                                                                                                                                         |
|        | KJV                                                                                                                                                                                                                                                                                                                                                                                      |
