| Hebrew | טוֹב לְשֹׁכֵת עַל פֶּתַח גֶּג מְאַשֶּׁת מְדִינָה וּבֵית חֶבֶר                                                                                                                                                                                                                                                                                                                         |
| ESV    | It is better to live in a corner of the housetop than in a house shared with a quarrelsome wife.                                                                                                                                                                                                                                                                                      |
| NIV    | Better to live on a corner of the roof than share a house with a quarrelsome wife.                                                                                                                                                                                                                                                                                                    |
| NLT    | It's better to live alone in the corner of an attic than with a quarrelsome wife in a lovely home.                                                                                                                                                                                                                                                                                    |
| LXX    | <p>κρεῖσσον οἰκεῖν ἐπὶ γωνίας ὑπαίθρου ἢ ἐν</p> <p>greek</p> <p>Preposition meaning "in". κεκονιαμένοις μετὰ ἀδικίας καὶ</p> <p>greek</p> <p>Meaning</p> <p>* And * Also * Both * Even * Too * So</p> <p>Is a conjunction that connects single words or terms or sentences. IT is most frequently translated as "and" ἐν</p> <p>greek</p> <p>Preposition meaning "in". οἴκῳ κοινῷ</p> |
| KJV    | It is better to dwell in a corner of the housetop, than with a brawling woman in a wide house.                                                                                                                                                                                                                                                                                        |
