|     | * He, she, it * Himself, herself, itself * Same                                                                                                                   |                                                            |
|     | Personal pronoun (reflexive). Occurs more than 5,000 times in the New Testament.                                                                                  |                                                            |
|     | Core uses Function English Equivalent Typical Translation Example (Greek) Example (English) κύριος                                                                | κραταιός ἐστίν                                             |
|     | greek                                                                                                                                                             | plugin-autotooltip__default plugin-autotooltip_bigεἰμί     |
|     | εἰμί is the first person singular verb for “to be” (εἶναι [the infinitive form] = “to be”).                                                                       |                                                            |
|     | It an irregular verb, and, like English, changes significantly between person and tense. For example εἰμί is the word for am and ἦν is the word for was, e.g. καὶ | plugin-autotooltip__default plugin-autotooltip_bigκαί      |
|     | greek                                                                                                                                                             |                                                            |
|     | Meaning                                                                                                                                                           |                                                            |
|     | * And * Also * Both * Even * Too * So                                                                                                                             |                                                            |
|     | Is a conjunction that connects single words or terms or sentences. IT is most frequently translated as “and”                                                      | κρινεῖ τὴν                                                 |
|     | greek                                                                                                                                                             | plugin-autotooltip__default plugin-autotooltip_bigὁ, ἡ, τό |
|     | Meaning:                                                                                                                                                          |                                                            |
|     | * The                                                                                                                                                             |                                                            |
|     | The definite article.                                                                                                                                             |                                                            |
