

Psalms 119:67

|     |                                                                                                                                                                                                                                                                                                                                                                               |
|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|     | <div>שְׁמַרְתִּי<br/>שָׁמַר</div> <div>Meaning:</div> <div>* To guard * To protect * To keep * To observe * To attend</div> <div>The verb שָׁמַר occurs about 470 times in the Old Testament.</div> <div>Central in covenant language. God “keeps” His covenant promises, and His people are called to Deuteronomy 7:9Psalms 121:7Deuteronomy 7:11Psalms 127:1Luke 2:19</div> |
| ESV | Before I was afflicted I went astray, but now I keep your word.                                                                                                                                                                                                                                                                                                               |
| NIV | Before I was afflicted I went astray, but now I obey your word.                                                                                                                                                                                                                                                                                                               |
| NLT | I used to wander off until you disciplined me; but now I closely follow your word.                                                                                                                                                                                                                                                                                            |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
