|       | greek                                                                                                                                                                                   |
|       | ειμί is the first person singular verb for “to be” (εἶναι [the infinitive form] = “to be”).                                                                                             |
|       | It an irregular verb, and, like English, changes significantly between person and tense. For example εἰμί is the word for am and ἦν is the word for was, e.g. ὑπὸ νόμον ἀλλὰ ὑπὸ χάριν. |
| ESV   | For sin will have no dominion over you, since you are not under law but under grace.                                                                                                    |
| NIV   | For sin shall not be your master, because you are not under law, but under grace.                                                                                                       |
| NLT   | Sin is no longer your master, for you no longer live under the requirements of the law. Instead, you live under the freedom of God's grace.                                             |
| KJV   | For sin shall not have dominion over you: for ye are not under the law, but under grace.                                                                                                |
