|        | <div>את</div> <div>plugin-autotooltip__default plugin-autotooltip_big</div>                                                                                                                                                                                                                                                        |
| Hebrew | <div>hebrew</div> <div>The Hebrew את word does not have a corresponding word in English. In Hebrew, it is a marker of the accusative, i.e. the word following it is the object of the sentence.</div> <div>For example, in Genesis 1:1 the word is preceded by <div>בְּרֵא אֱלֹהִים (כָּל אֲשֶׁר עָשָׂה יְהוָה הָאִישׁ</div></div> |
| ESV    | And when she came to her mother-in-law, she said, "How did you fare, my daughter?" Then she told her all that the man had done for her,                                                                                                                                                                                            |
| NIV    | When Ruth came to her mother-in-law, Naomi asked, "How did it go, my daughter?" Then she told her everything Boaz had done for her                                                                                                                                                                                                 |
| NLT    | When Ruth went back to her mother-in-law, Naomi asked, "What happened, my daughter?" Ruth told Naomi everything Boaz had done for her,                                                                                                                                                                                             |

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
