The Hebrew no word does not have a corresponding word in English. In Hebrew, it is a marker of the accusative, i.e. the word following it is the object of the sentence. It only ever occurs in conjunction with nouns associated with the definite article הַ.Genesis 1:1 אָאָהָבָה נָפָשַׁי בִּקּשְׁתָּיו וְלָאׁ מְצָאתָיו

- I will rise now and go about the city, in the streets and in the squares; I will seek him whom my soul loves. I sought him, but found him not.
 I will get up now and go about the city, through its streets and squares; I will search for the one my heart loves. So I looked for him but did not find him.
- NLT So I said to myself, "I will get up and roam the city, searching in all its streets and squares. I will search for the one I love." So I searched everywhere but did not find him.
